**Determination of Rate.** At our discretion, we may change the interest rate on your account.

**Frequency of Rate Changes.** We may change the interest rate on your account at any time.

**Limitations on Rate Changes.** There are no maximum or minimum interest rate limits for this account.

**COMPOUNDING AND CREDITING.** Interest will be compounded monthly and will be credited to the account monthly. If you close your account before interest is credited, you will not receive the accrued interest, unless requested.

**MINIMUM BALANCE REQUIREMENTS.** You must deposit \$100.00 to open this account. A Minimum Balance Fee of \$7.50 will be imposed every statement cycle if the average daily balance for the statement cycle falls below \$500.00.

The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.

You must maintain a minimum daily balance of \$500.00 in the account each day to obtain the disclosed annual percentage yield. You will earn interest for every day during the period that your account equals or exceeds the minimum daily balance requirement.

**DORMANT/INACTIVE ACCOUNT INFORMATION.** A dormant account fee of \$6.00 per month will be charged after 24 months of inactivity.

**BALANCE COMPUTATION METHOD.** We use the daily balance method to calculate interest on your account. This method applies a daily periodic rate to the principal in the account each day.

The daily balance that we use when calculating interest is the collected balance. That means we only include those funds for which we have actually received payment when we determine the daily balance on which interest is paid.

**ACCRUAL ON NONCASH DEPOSITS.** Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks).

**TRANSACTION LIMITATIONS.** Beginning with the eleventh (11th) withdrawal, (the withdrawal fee applies only to checks, paper drafts, and ACH [electronic drafts]), during a monthly statement cycle, a per withdrawal fee \$ 0.15 will be imposed if the average ledger balance in the account falls below \$ 500.00.

ATM cash withdrawals are limited to \$ 750.00 a day. POS (Point of Sale) withdrawals are limited to \$ 2,750.00 a day.
